RE: COVID-19 Procedure for Company Drivers

Wilbert Precast, Inc. drivers will observe all social distancing and PPE guidelines when loading, delivering, unloading product, and when present at work and on job sites:

- Drivers will wear masks if social distancing on delivery cannot be maintained
- Drivers will wear the following PPE when on a delivery site:
 - Hard hat
 - Safety glasses
 - Gloves
- Drivers will submit to temperature monitoring providing a sanitary thermometer can be provided
- Drivers will have their own writing utensils to sign any documentation and will require our customers to have their own to sign as well
- Drivers will sanitize their hands after each stop using hand sanitizer
- Drivers will sanitize their trucks at the beginning and end of each day

Please contact Lori Ott, Human Resources, at 509.325.4573 or 509.789.2271 (Direct) if you have any questions regarding these procedures.

Sincerely,

Dan Houk
President & CEO
