Wilbert Precast, Inc COVID-19 Visitor Questionnaire

4/29/2020

The safety of our employees, suppliers, customers, families, and visitors remains a priority for Wilbert Precast. As the COVID-19 outbreak continues to evolve, Wilbert Precast is monitoring the situation closely and will periodically update company guidelines based on current recommendations and requirements from the Centers for Disease Control (CDC), the State of Washington, and Idaho. Only business critical visitors are permitted at any Wilbert Precast location at this time.

To prevent the spread of COVID-19 and reduce potential risk of exposure to our employees and visitors, we are conducting a simple screening questionnaire. Your participation is important and required to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
